PRESS RELEASE

CANCELLATION OF CLOSURE OF LOBATSE ABATTOIR

The public is hereby informed that further to the earlier press release from the Botswana Meat Commission on the closure of the Lobatse Abattoir in August, the Commission is pleased to advise that, after Government intervention, arrangements have been made for the Lobatse Abattoir not to be closed during August 2010. Operations will therefore continue as normal. Producers are therefore encouraged to apply for quota to supply in the normal way.

We regret any inconvenience that our previous press release might have caused and we take this opportunity to thank all producers for their ongoing support.
